And you were officed in Naperville?

Correct. That was part of it. I was also stationed downtown in Chicago for a little bit still in liability. There were only two adjusters they left downtown, myself and another person.

Q. Okay. We're going to have to get into this. What month did you leave the company entirely?

A. Entirely? I know I should have looked at my resume. I can't tell you. I'm sorry. I can't tell you the exact month I left.

Q. Sometime in 2005?

A. I think February or March, but I'm not certain. I'm not certain.

Q. How long had you been in Naperville, at least part of the time, when you left the company?

A. I came in April of '05. I must have

Q. Before that where had you been located?

A. Still in Chicago. St. Paul was still in 10 Chicago, because we had moved from the Citicorp Bank Building to the other building on Lake.

Q. So in February or March of '05 you moved from one Chicago location to another?

A. Correct.

Q. I'm sorry. That's not really at the top of my list.

Because I remember it was around my daughter's wedding. It was around that time, and it was within a year after that. I'm sorry, but that's --

Q. Okay. So you might not have left USF&G St. Paul Travelers until February/March of 2006; is that right?

A. Uh-hmm.

And you think you had been officing in 16 Naperville, at least part of the time, since April 17 of 2005; is that what you were saying? 18

A. Yes, in April of 2005 I was in 19

Naperville. 20

Q. Now, you mentioned that you also were in 21 22 Chicago part of the time.

23 A. Yes.

24 From when to when were you in Chicago? 1 and this transition occur?

> A. Well, it was starting a little bit earlier than that in the Chicago branch office on Lake Street. We were getting files ready to be redistributed. I couldn't tell you the exact date, but it started a little bit earlier. They were taking a few files away already from us.

Q. And the reason for that was --

It was a couple reasons. Like I said, they were reorganizing the units. And I was going to be inside adjuster, no longer outside adjuster. And certain cases that we were handling weren't qualified and the dollar amount was beyond our level of knowledge.

Q. What was your reason for leaving USF&G? MR. DUNNE: Objection, asked and answered. Go ahead.
